

## Avocado Planting in Russia

### AVOCADO PLANTING IN RUSSIA

Mr. A. J. Fomin of the Psyrzha State Farm at Abhasin, U. S. S. R., giving directions and planting the variety collection comprising 63 avocado trees from Southern California. The trees were packed and shipped from Vista January 15, 1934, by Dr. J. Eliot Coit. They arrived at their destination in good condition on March 12 and were planted immediately.
