If you have ideas for future topics or speakers please let us know.

Send your suggestions to either avocafe@gmail.com or mlarpaia@ucanr.edu

Coming in July:

**Heat and water
management: its impact
on tree health and fruit
quality**

Meeting Mechanics

We want to have an interactive meeting

There will be 2 ways to ask questions:

Use **Chat Function** during the speaker's presentation to ask any questions while they are speaking; they will answer your questions after their presentation

After the talk, **raise your hand**

Innovation ideas from around the world
Israel and South Africa
